EXECUTIVE COMMITTEE OF THE
HIGH COMMISSIONER'S PROGRAMME

Forty-third session

REPORT ON THE STATUS OF CONTRIBUTIONS TO UNHCR VOLUNTARY FUNDS AS OF 31 MAY 1992

1. This report indicates the status of contributions as of 31 May 1992 from governmental, intergovernmental, non-governmental and private sources towards UNHCR assistance activities in 1992.

2. The table accompanying this document shows contributions to the UNHCR Special and General Programmes for the years 1991 and 1992, which had been paid or pledged as of 31 May 1992.

3. Donor support was exceptional during 1991 and several donors increased their total contributions dramatically in absolute terms which allowed UNHCR to meet the demands made upon the organization during and after the crisis in the Persian Gulf. As a result, the overall contribution figure ($ 888.9 million) was 56.7 per cent higher than that of 1990 ($ 567.4 million).

4. Contributions towards 1992 General Programmes paid or pledged by 31 May 1992 amounted to some $ 217.8 million (see table), while secondary income at that date had reached $ 5.1 million. Contributions towards Special Programmes, including all income recorded under Other Trust Funds, paid or pledged as of 31 May, amounted to $ 191.9 million (see table). Total contributions in 1992 thus far amount to $ 409.7 million.

5. The response of the international community as of the reporting date has not escaped the impact of the global economic downturn, resulting in a 20.5 per cent reduction in funding compared with the status at 31 May 1990, and leaving an amount of approximately $ 469.6 million to be funded.
